APRIL PROGRAM PHOTOS

THE PRESIDENT'S CORNER

Wow! April has come and gone and the end of May is fast approaching. I want to thank John Price with RW Specialties for providing a great presentation on the many options we have to take into consideration for air barriers. I also want to thank Kimberly Lynch with Bolyu Carpets for a great tabletop presentation in April.

I am very excited about the upcoming meeting this month. We are changing things up from our normal meeting room arrangement and having taller bar tables arranged to encourage more mingling and discussions between members and guests. The food will be more of a hors d'oeuvres finger food style. This meeting is going to be a great opportunity to put to use the networking lessons we learned from our March meeting with Diane Miller. If you are a Product Representative and would like to bring information (small handouts) about your company please do. We are inviting all tabletop presenters back and if they would like they can have a table to display their products yet again. We will be having raffle prizes for attendees and if your company would like to provide a few items please let Greg Gulliksen know when you RSVP for the meeting. We will also be acknowledging the two Herald R. Holding Scholarship award winners from Pikes Peak Community College and all the hard work the Pikes Peak CSI Board has done over the past year. All in all, I am anticipating a wonderful meeting to cap off a fantastic year.

Well Chapter, this is my final message to you as The Pikes Peak Chapter President. Please know that it has been a pleasure and honor to yet again serve the Chapter members in this capacity. I cannot say enough good things about the group of individuals that make up our Chapter Board. They are the ones that put in so much time and effort to make sure that we have a location with great food, an informative presentation, communication path to keep us informed and money to continue to move our Chapter forward. I could not have done anything in the past year without their support and hard work. They do all of this work and planning each month and never ask or expect any recognition for it. They do it for you the member. They know that this ever changing industry that we work in needs an organization that communicates the built environment and provides an avenue to pass along time tested knowledge to those just coming into the industry. That organization is the Pikes Peak Chapter of the Construction Specifications Institute.

Thank you for your time, Shane David

TABLE TOP SPONSORSHIPS FOR PIKES PEAK CHAPTER LUNCH MEETINGS

Ever wondered how you could reach out to a large group of construction industry professionals and not have to spend a lot of money? Of course you have! Again this year, the Pikes Peak Chapter is offering table top presentations at our monthly Chapter meetings. For those of you not familiar with how a table top sponsorship works, it goes something like this.

You, as a product representative, schedule to attend one of our monthly Chapter meetings. Space will be provided to set up a table top presentation so you can meet people as they filter in. Then you will be given a few minutes at the onset of the meeting to speak about your product to the entire group. As the meeting concludes you will have opportunity to follow up with individual members and guests. Your presentation may include flyers about your product, give-a-ways to those in attendance or even a couple of door prizes. At this point you are probably asking yourself, 'what is the cost?'

The Chapter has set a fee of \$150. To put this in perspective, consider the cost of a box lunch presentation for about ten people. At our Chapter meetings you will have the opportunity to reach out to thirty or more professionals in the construction industry. Even though you will not have the full hour, as in a typical box lunch presentation, introducing your product to a group this size could have a big payoff. Our Chapter meetings are held on the last Wednesday of the month from 11:30 am until 1:00 pm. To schedule a table top for one of our Chapter meetings please contact Shane David at (719) 578.9317 or sdavid@hlarch.com. We are looking forward to having you as part of our Chapter meeting.

- \$150 includes:**
- Full page ad in The Intent (for one month)
 - Table Top presentation at member lunch meeting
 - 3-5 minutes to present to the members at the onset of the CSI lunch meeting
 - Presenter can invite 2 guests/potential buyers
