

Pikes Peak Chapter

The Construction Specifications Institute

September, 2017

This Month's Program:

Nichiha—Architectural Wall Panels

Speaker Bio: Michael Carey

Michael has been involved with the construction industry for the past 20 years. He began his career working for a sealants manufacturer and then went on to

start his own construction products distribution company before teaming up with another sealants manufacturer to head up their sales and marketing department. Michael made another career change upon joining the **Nichiha Company** 12 months ago. Today, he calls on the Rocky Mountain region for the company. His goal is to help promote the **Nichiha** brand while helping to make each project unique. During his off time, Michael enjoys spending time with his family, skiing, playing tennis and soccer.

Nichiha Fast Facts:

Pikes Peak Chapter

THE PRESIDENT'S CORNER

Hello all and welcome to the new fiscal year! I'm anticipating this year to be another great year for our Chapter full of interesting topics and wonderful conversations. I look forward to meeting you, if I haven't yet, and helping out in any way that I can.

A big thank you goes out to Pat Joyce, Bill Johannsen and Brandon Elrod at C&C Sand and Stone for hosting our August Social Networking- Wine and Cheese event at Coutura Design Inspirations. The location was wonderful and the food and drinks were plentiful. We had a great turnout and learned of some new products that C&C Sand and Stone are rolling out. If you missed it then I would highly recommend getting in touch with those guys to

get more information.

Big news! This year we will be meeting at The Warehouse for all of our lunch meeting presentations. They have a great area for us to meet and they are centrally located too. Please join us this month on the 27th for a presentation by Michael Carey on Architectural Wall Panels. This should be a very interesting and informative presentation.

More big news!! I would like to congratulate our very own Daryl Robinson, RA, CSI, CCS on being elevated to Fellowship by CSI. This is a very high honor that has been bestowed upon him by his peers. Thank you Daryl for all that you have done not only for our Chapter but for the organization and industry.

Lastly, I would like to thank all of our members for allowing me the opportunity to serve as your President this year. I hope I can fill the shoes that have been left by our Past President's. Please reach out to me with your ideas to keep this Chapter an outstanding Chapter.

I look forward to seeing everyone at this month's meeting on the 27th.

Sincerely,

Robert Hixon
CSI Pikes Peak Chapter President

UPCOMING EVENTS IN THE REGION

THINKING ABOUT TAKING THE CDT?

It's not too late! Fall registration ends September 18 and we are now offering CDT Study Prep sessions, presented by Shane David and Joni Zimmerman to chapter members at no charge! Weekly sessions are Thursday evenings from 6 to 8 pm at the offices of TreanorHL or you can join us via webinar.

For details, please contact Shane or Joni at sdavid@treanorHL.com, or jzimmerman@tk-architecture.com, respectively.

PIKES PEAK CHAPTER CSI UPCOMING SCHEDULE

And don't forget to check news for CSI Southwest Region at www.csisouthwestregion.org

IF YOU'RE ORGANIZATION WOULD LIKE TO ADVERTISE UPCOMING EVENTS IN THE INTENT, PLEASE CONTACT JONI ZIMMERMAN AT [JZIMMERMAN@TK-ARCHITECTURE.COM](mailto:jzimmerman@tk-architecture.com) OR 719-393-2987

ADVERTISING OPPORTUNITIES WITHIN OUR CHAPTER

We offer the opportunity to advertise your business to our Chapter Members and Guests in two different ways. Business card ads are \$50 per year, with your card included in each monthly issue of The Intent, as shown below.

We also offer advertising on our website, www.pikespeakcsi.org for \$200 per year. This presents your company as a sponsor of our website and is seen each time members and guests log in to check our upcoming programs and events, with the added bonus of a link to your company's website.

For more information on either option contact Joni Zimmerman at jjzimmerman@tk-architecture.com or 719-393-2987 or any board member.

*Building Knowledge
Improving Project Delivery*

The Construction Specifier is the only peer-reviewed U.S. publication targeted to those professionals who select, recommend and influence buying decisions. It is the official magazine of the CSI. It remains the association's primary vehicle for disseminating construction information and fostering communication amongst building design professionals.

The editorial focus of The Construction Specifier relates directly to the job functions of its core readership-professionals involved in the specification process. Readers rely on the magazine for the latest information on construction documentation, materials and methods.

Make sure to read your copy of The Construction Specifier, either online or the print copy provided with your membership. If you need additional prints, visit www.csiresources.org
