Pikes Peak Chapter CSI May Chapter Meeting Networking Luncheon and Mini Product Show

Come and join us for our final monthly Chapter Meeting of this year—

- All tabletop sponsors from this year are invited back for this month's luncheon, along with new product representatives that you haven't seen. See page 6 for sponsor logos
- We will also take this opportunity to recognize members anniversaries, acknowledge new members and our Herald R. Holding Scholarship recipients
- Just as we did last year, food will be set up hors d'oeuvres style and everyone will circulate through the room rather than a typical sit down style lunch
- There will be raffle prizes for attendees!
- Bring plenty of business cards and plan to make some new contacts!!
- This month we will be accepting donations for Care and Share Food Bank for Southern Colorado Please see the last page of The Intent for food items needed most and please bring a donation.

Date: Wednesday, May 31, 2017

Time: 11:30 to 1:00 p.m.

The Navajo Hogan

2817 N. Nevada Ave

Colorado Springs, CO 80907

Attendees:

No charge to attendees for this event!

Presenters:

Previous 2016-2017 Tabletop Presenters—No Charge

**New Tabletop Presenters—
\$75 for Non Chapter Members
\$50 for Chapter Members**

**All presenter fees will go toward the
Herald R. Holding Scholarship at PPCC**

May is our last Chapter meeting of this 2016-2017 CSI season and we are very excited about this month's program! We have invited back all the tabletop presenters from this season, and invited additional product representatives to participate in a mini-product/networking show. We did this same format at the end of last year and it was very well received. We will have food and drinks set up throughout our meeting space, multiple tables with a great variety of product information and the opportunity to meet members, guests and product representatives all at one time! We will also take the opportunity to thank this year's Board members, welcome new members and recognize some important anniversaries for our long-term members. Last but not least, we will again have raffle and door prizes for attendees!

As we are nearing the close of this season for our group, I'd also like to take a moment to recognize what we've accomplished this year. The biggest task was the migration to our new website. We are still learning more about this new tool, but so far we've found it very valuable. I hope that you all find it easy to use and that it contains the information that you need as members. All the information you need as members is located in one easy to use website, including historical editions of The Intent, a member directory and the ability to update your personal information online, the ability to RSVP for meetings and pay online, information about upcoming events, information about the Board and our by-laws. Remember that we are also still looking for additional website sponsors. Let us know if you'd like to support our Chapter in this way. It's a great platform to get your company name and information out to our members and guests.

We've also had some great programs and tours this year. American Tile & Stone hosted Triton Watertight Systems to show us their watertight shower system. InPro presented information on EPDs and how their product line supports project sustainability goals. S-5 presented information on their Snow Retention Devices. 4240 Architecture gave us a great presentation on Passive Aggressive Design. We had a very educational presentation on Draper's motorized shading. Our own Peter Kremm from Sherwin Williams presented Advanced Coatings for Healthcare Systems. In March we had Rocky Mountain Masonry Institute present Masonry Through-Wall Flashings *and* a great tour of the ENT Performing Arts Center. Last month, we had Connor O'Neill from Viracon share his wealth of information about Commercial Glass. Where else but CSI would you get this variety of valuable educational sessions?

Serving as Chapter President over this last year has been an incredible experience - exciting, challenging and humbling at the same time. I sincerely thank all our members and our supportive, hard-working board members for the opportunity. I look forward to turning the reins over to Rob Hixon next year. Rob has worked very hard this year as President-Elect and will do a great job next year. If you don't know Rob yet, please take a few moments at our May meeting to chat with him. I know he will welcome any thoughts and suggestions you all have on how we can make our Chapter even better.

Joni Zimmerman, CSI Pikes Peak Chapter President

Interested in Advertising on our new Website?

Our website committee has been working very hard and we are now accepting sponsors and advertisers for our website!! For a fee of \$200 per year, we will place your company's logo and a link to your website on our homepage so that everyone that visits the site will have the opportunity to see that you are a PPCSI sponsor and can click the link to visit your website. Your company logo will also appear on all meeting invites throughout the year. This is a great way to get exposure to our members and guests for your company. If you are interested, please contact any board members for additional information.
